JOIN-RENEW

Pickleball is one of the fastest growing sports.

To help you enjoy pickleball and develop the sport in your community join the dynamic, integrated Canadian pickleball system. Be part of the pickleball nation! Realize the personal benefits – improve your game and enjoy the sport. By joining you'll also be supporting the development of pickleball in your community and province/territory.

For more about the benefits of belonging to Pickleball Canada, [click here](#).

When you hit the JOIN-RENEW button on the Pickleball Canada website it is your one-stop location for joining a club (if you wish to belong to one), your provincial or territorial pickleball organization, and Pickleball Canada. This is called the Pickleball Canada National System (PCNS).

- To join Pickleball Canada you must also join your provincial or territorial sports organization (PTSO) – other than if you live in PEI, NWT or Nunavut.
- If you are not a resident of Canada, you would select "Non-Canadian resident" under the Province drop-down.
- You do not have to join a club – when it asks for your club you would select "V-Club 'Province' (I don't belong to a club)"

What are my membership fees?

The three entities – Pickleball Canada, the PTSO and the club each determine their membership fee. You pay all the fees at once and the PCNS automatically credits the three partners. **As of April 1, 2021 the Pickleball Canada fee is \$10 a year. The year runs from January 1st to December 31st. If you join Pickleball Canada on October 1st or later in the year your membership will extend to December 31st of the following year.**

Players must leave court at designated end time and be off the property within 5 minutes. We don't want people congregating and debriefing games.

Park on the court side or in the lots supplied or above the courts. Do not park across the street. We want to minimize congestion on the street.

Later in the season if there is snow on the court, please do not shovel it. The District has not to do this!

The storage shed contains first aid kits, spare racquets, balls, sanitation goods, brooms and squeegees.

Players are expected to set up/ take down net. Basically, leave the courts as they found them.

Please do not coach or referee games in progress. While your intentions may be good, it is something you should not do unless asked in advance. Show some courtesy when moving onto courts, to minimize interruptions. If a ball goes on another court, yell "BALL" and play should stop and the point replayed.

Note: By providing your email address and accepting these guidelines to play pickleball during club time, you waive all rights and indemnify the Lake Country Pickleball Club and the District of Lake Country of all wrong doings including your possible future disease contact.
