

LCPC News Update

- ❖ **ANNUAL GENERAL MEETING** - mark your calendars for the AGM on August 30th. Similar to last year, the meeting will be held at 15696 Trask Road in Oyama, also known as “The Fassee Lake Resort” 😊

- ❖ Come early and enjoy the beach with social time from 3PM thru 5PM, the AGM will start at 5PM followed by dinner. Soft drinks and water will be provided; if you like something a little harder feel free to BYOB. Bring a lawn chair and some sun screen.
- ❖ As always, there will be an election at the AGM and 4 positions are available for the coming year. We will need to elect a new Club President, Vice President, Secretary and Director as all four positions have reached the end of their two year term. Please consider your candidacy for one of these fulfilling positions.
- ❖ For anyone interested in running for a position on the LCPC Board of Directors a web page will be setup on the Club website where you can share information about yourself and what ideas you would bring to the Club.

-
- ❖ **SOCIAL PLAY & COMBINING GROUPS** - The Club encourages the combining of players for Social play. If your group needs one or two players to even out your numbers, Group Captains [and everyone] are encouraged to reach out to another group for those additional players. It's good for everyone to "cross-pollinate" whenever we can. Why have empty courts when we can easily call over to the next group and pickup a player.

- ❖ **COURT BEAUTIFICATION INVITATION** - by now you have seen the Sign-Up Genius invite for Tuesday, July 18th to help with the weeding of Benchlands Park from 12-2PM. By agreement with the District, we promised to assist with the maintenance of the courts and surrounding landscape at Benchlands. LCPC member, Kelly Soare, is leading this community clean-up and more volunteers are needed!

Volunteers Needed!
Tuesday July 18
12-2PM @
Benchlands Park

Genius or just
SHOW UP!

Let's all "pull" together...and show the Lakestone residents that we are good partners and take pride in the community.

LAKE COUNTRY

Experience. The Okanagan Way.

- ❖ **Lake Country Town Centre Parks & Trails Survey** - The District of Lake Country is asking for Lake Country Residents to complete a survey on the future of Swalwell Park. This is another opportunity for Club members to let the District know Lake Country Pickleball is good for the community. Please take a few minutes to complete the survey by clicking on the link below:
