NEWSLETTER of THE LAKE COUNTRY PICKLEBALL CLUB

Dear LCPC Members,

I would like to introduce myself to you as the new President of Lake Country Pickleball Club. I am honored to step into the role of President, following in the footsteps of Craig Norris-Jones who has served the LCPC in this capacity over the past 2 years.

We owe a huge THANK YOU to the 2022-2023 Board of Directors including; Craig Norris-Jones, Marie Anne Faasse, Dianne DeJong, Shannon Goddard, Sandy Olsen, Audrey Beatch, Alan Hargeaves, and Brett MacPherson for their dedication, service and leadership over the past year, as well as to all of our members for giving your time and talents to make the year a success.

As I look ahead to the upcoming year and the challenges we will face, I would like to share one of my favorite adages: "Many hands make light work." There is tremendous power in the size of our membership and the many talents our members bring to LCPC. Through our collective action, I am confident that every year will be more successful than the last.

I am thrilled to be working with such an exceptional group of people in the months ahead. I truly appreciate your support and encourage you to share any feedback and ideas you may have as we work together in the upcoming year.

Let me introduce the members of 2023-2024 Lake Country Pickleball Club - Board of Directors;

The new Board of Directors are working through a brief transition period and will be reaching out to the membership in the coming weeks.

Sincerely,

Sharon King

President

WHAT'S THE SCORE ?

Due to the wildfires and uncertainty with the situation at Benchlands Park, we made the difficult decision to move the Fall Brawl Tournament to the Okanagan Wealth Advisors Pickleball Complex in Vernon. A big THANK YOU to the executive and members of the Vernon Pickleball Association for providing us with the opportunity to host the tournament in their fabulous facility. The tournament is next week (Sept. 9 & 10) be sure to come watch some great pickleball action !

After getting the "OK" from the District of Lake Country, scheduled play resumed on August 31st at Benchlands Park. The fall season provides us with some of the best playing conditions of the year and we encourage all members to get out and enjoy the last few weeks of SOCIAL and BRACKETS play. The schedule has been set for the month of September and you can register to play in Sign-Up Genius or Pickleball Brackets. Get out there and have some fun!

On August 30, 2023 at the Oyama Recreation Center, the club executive and approximately 60 members met at our Annual General Meeting to take care of business for the next fiscal year. To summarize the highlights of the meeting; the club currently has 352 active members and about 30 people on the waitlist; a new Board of Directors was elected; a fee increase of \$5.00 per member was approved; and the club is in a strong financial position for next year. *More details to follow...*
